TRACK & CROSS COUNTRY CORPORATE SPONSORS

The Signal Mountain Girls Cross Country and Track and Field teams have won five state championships – 2013, 2014 and 2015 in Cross Country; 2014 and 2015 in Track.

We are shooting to repeat in Track and Field this spring. With this success, we have grown our team from approximately 18 Track and Field athletes in 2012 to 53 in 2015. Our XC team has grown from approximately about 17 athletes in 2012 to 32 in 2015. During this time, we have had 7 athletes sign athletic scholarships and we strongly believe there are more to come.

In order to support this growth and build on the success, we are looking to raise money for equipment, uniforms, and travel in order to race the best competition in the Southeast.

Outside of the normal parent fees and team fundraisers, we are looking for Corporate Sponsors to purchase a sign to be hung on the fence line of our track.

Our Corporate Sponsor signs are 2'x 3' with your name or company logo. The signs are made of sturdy plastic and will hang all year long on the inside fence of our track in between our larger State Championship signs.

A Corporate Sponsorship sign is \$500 and will hang for 1 year beginning March 2016. We are offering this same position in year 2 for \$300. This photo shows a few of the signs currently hanging at the track.

The signs will get special exposure and recognition during our home middle school and high school track meets. Our track meets bring in athletes and families from all over Hamilton County. And, our track is always open to the community. This year-round access provides a steady stream of athletes, parents, and fitness minded people that will see your sign and know that you support Signal Mountain athletics.

Our team will proudly support your business and encourage our team parents to use your services as well. Your support of our athletes is greatly appreciated.
